

JOHN GABBERT

Founder and CEO, Pitchbook

John Gabbert is founder and CEO of PitchBook Data, a Seattle-based private markets research firm. He is responsible for driving PitchBook's vision, strategy and growth as the company works to provide greater transparency into the global private capital markets. John has 20 years of experience creating and scaling information technology products for capital market professionals.

Prior to founding PitchBook in 2007, Gabbert was the Managing Director of Private Markets for Dow Jones & Company and VP of Worldwide Research for VentureOne, VentureSource and The Private Equity Analyst. He has played a key role in seven acquisitions or mergers by both strategic and private equity investors, including PitchBook's acquisition by early investor Morningstar in 2016.

Gabbert attended the University of Washington, where he received his bachelor's degree in business with concentrations in finance and marketing. He's currently serving as the Edward V. Fritzky Endowed Chair in Leadership at University of Washington's Foster School of Business.
