

CRAIG CORTRIGHT

Managing Director, Fortress Investment Group

Craig Cortright is a Managing Director at Fortress Investment Group in the Credit Funds Group focused on providing debt and equity capital to middle-market companies as well as making opportunistic investments in structured products and loan portfolios.

Prior to Fortress, Craig was Senior Associate at Atalaya Capital Management, an alternative investment fund that focused on private debt, mezzanine and equity investments in middle market companies. Prior to joining Atalaya, Craig was an Associate at Navigant Capital Advisors in their Investment Banking and Hedge Fund Services groups. Prior to Navigant, Craig was an Analyst at StorageTek (Sun Microsystems).

Craig received an undergraduate degree from the University of Denver and holds an MBA from the Goizueta Business School at Emory University.
