

INTERGROWTH® 2020

INTERGROWTH LOUNGE MAP

This year the Lounge is equipped with more open seating than ever with new meeting areas. Need to charge your devices while you take a meeting? Head to the Recharge Zone to plug into a charging station or one of the charging-enabled tables. Or head to the Refresh Zone to grab some coffee or espresso for a little pick-me-up.

With ACG DealSource in the room, and steps away from programming, the Lounge is InterGrowth's epicenter.
